

ATPI TOP program

The ATPI Top Program award is based on school portfolios of 10 prints. Each school submits up to four portfolios in seven different categories - architecture, still life, documentary/photojournalism, portrait, sports, thematic and landscape/nature. Each portfolio represents the work of at least five students. The school with the highest point total from all seven contests is named the Top Program. There was a tie in the 2009-2010 contest.
