Six Weeks To Deuce List

Two **Looking Reports** ...you know the drill. We are not doing them the weeks of Sept. 4-8. Write in complete sentences and turn them in early or on time. If you are absent on your day it is due the day you get back. If you don't turn it in on your day it is a zero.

Grade weight of 1 each

Type a one page **resume on a famous photographer** or film maker along with 4 examples of their work. Choose a photographer from the list provided or get the ok from me if you want to research someone not on the list. See the sample resume attached.

Grade weight of 1

Three 8x10's of something I haven't seen before. Make these look good because we are going to frame some of these in the library, teachers' conference room and the principal's conference room.

Grade weight of 2

Internet Assignment or *A Tribute to Al Gore*. Research a photographic based internet sight and provide info on the sight.

Grade weight of 1

Build Your Own Darkroom by sketching out plans and using the provided graph-paper. This can be based on an actual room in your house or your dream darkroom. Include plans for a water source and wet and dry areas. Think about what you must have and about what you could utilize. Use the catalogs provided to figure out your cost for equipment and include the cost in your design.

Grade weight of 1

Big Test we will get you ready for. It is a hodge-podge of stuff based on last year's advanced ATPI test.

Grade weight of 2
