

Martin High School

Equipment Checkout Contract

Being a mature and responsible individual, I agree and understand that checking out equipment is a privilege. Therefore, I will take care of the items loaned to me and will return them to Mr. Regalado or Mr. Simper and the Martin High School Photography Department during the next time our class meets. I realize that this time limit is to ensure that all students can have equal access to the equipment.

I also understand that should I fail to return the equipment on time, a penalty of 5 points per day (including the day it is late) will be deducted from my six weeks grade and that my checkout privileges will be terminated for up to six weeks. Furthermore, I understand that I will still be responsible for turning in photographic assignments and that securing a camera will become my responsibility.

I agree to assume complete financial responsibility for the equipment I have borrowed and will pay for any repairs that are needed as a result of negligence, due to my actions or those of others, that occur while the equipment is checked out to my person. Finally, I understand that my grades, transcripts and diploma will be held until the debt is paid.

Equipment checked out and serial numbers:

Camera (35mm):	Pentax-ZXM	(\$230.00)
	Serial# 7581558
