

# Assignment: Photo Essay

## Materials

2 rolls 24 exp. black and white film  
photographic paper  
mounting board

## Procedure

Decide on a topic that you can photograph over a 1 1/2-week period.  
Develop your film.  
Print 6-8 8X10 photographs.  
The images you print should tell a coherent story about your subject.  
Add text if desired.  
Mount your prints to a board.

## Turn in

6-8 prints mounted to a board  
negatives  
contact sheet  
rational for topic (why did you choose your topic)
