

# Creative Title Goes Here

Hey there my level deuce. Here is your assignment sheet for the second six weeks. The main thing is the shooting for contest but don't forget the other things. We have ordered a mat cutter for our pictures but it is on backorder so do not mount anything just yet.

**Two Looking Reports** ...you know the drill. We are doing them the first four weeks of this six weeks. Write in complete sentences and turn them in early or on time. If you are absent on your day it is due the day you get back. If you don't turn it in on your day it is a zero. **Grade weight of 1 each**

**Build Your Own Darkroom** by sketching out plans and using the provided graph-paper. This can be based on an actual room in your house or your dream darkroom. Include plans for a water source and wet and dry areas. Think about what you must have and about what you could utilize. Use the catalogs provided to figure out your cost for equipment and include the cost in your design. **Grade weight of 1**

Type a one page Resume on a Famous Photographer or film maker **and include 4 examples of their work.** Choose a photographer from the list provided or get the ok from me if you want to research someone not on the list. Remember to only put relevant information on the resume and put it in the order of most recent to least recent. See the sample resume attached. **Grade weight of 1**

**Holga**, I'm home, my dah-link! Shoot and process a roll of medium format film using your holga camera. Read the manual and be creative. Expect something different: light leaks, soft focus, general freakiness, ~~apocalyptic visions...~~ Practice rolling medium format film before you process your own. Show me your developed negatives for a grade. **Grade weight of 1**

**Four 8x10's** for contest. We have ATPI and Visions of Dallas coming up soon. Plus there is always the PTA Reflections contest and The Coup. **Grade weight of 2**

*Deja Vu* **Another Four 8x10's** for contest. These can be black and white or color. **Grade weight of 2**

**Internet Assignment** or *A Tribute to Al Gore*. Research a photographic based internet sight and provide info on the sight. What are some good things about the sight. **Grade weight of 1**

**Big Test** we will get you ready for. It is a hodgepodge of stuff based on last year's advanced ATPI test. **Grade weight of 2**

## Fourth Six Weeks To Deuce List

Two **Looking Reports**...you know the drill. We are not doing them the weeks of Jan 4-7, 18-21 or February 14-18.

Type a one page **resume on a famous photographer** or film maker along with 4 examples of their work. Choose a photographer from the list provided or get the ok from me if you want to research someone not on the list.

Rolling Stone Images of Rock and Roll essay and **Gathering Moss** Questions

Physiognomy by Mark Seliger essay and questions

**Fort Worth Country Day Black & White Competition** images are due Wednesday January 12th. What you submit will most likely not be back in time for the ATPI Conference so you may need/want to print extra for portfolios.

**ATPI Winter Conference** is February 11-13th. Are you ready?

**Video project:** Storyboard, write and film a 30-45 second commercial for a product of your choosing or imagination. Kind of a wouldn't it be great if you used one of these type joberdoodles. Check out the issue of Advertising Annual of *Communication Arts* for ideas.

**Portraits of Theater students.** One of Karen Baker's classes needs to have promo shots done. We are talking about 8x10 glossies. Let's put together a business proposal and show them what we can do. This is a good time to set up the studio and learn more about lighting.
