

Take a 20-30 seconds and think about this if you'd like before answering - what are your top 3 or 4 priorities in life?

What's the developer time for TMax 400 in HC110 ? Is it the same for TMax Developer?

Which areas of high school photography are you most comfortable shooting?

Which would you least like to shoot?

What is your best quality ?

What is your worst quality?

You've just gone to shoot your first football game. It's a JV game at Birdville; the last one of the season. No one has any usable shots of JV yet. Halfway through your second roll you drop your camera and it breaks. Now what happens?

Why do you wish to join this group?

Who is the cutest person in this room? Why?

What camera equipment do you currently have?

What, if anything, does the state championship mean to you?

Have you given thought to the future beyond high school yet ? What might it hold for you?

Assume for a moment that you make this group for next year. August comes and you fall in love with Laura/Charlie and it doesn't work out. How do you handle working with him/her next year?

Tell us something about yourself that we don't know.
