## Composition Guidelines

Name \_\_\_\_\_

Use the following questions to help you take notes over the Kodak slide show, Beginnings of Photo Composition

1. What are the six guidelines?
2. What are three things you can do to simplify your pictures and strengthen your center of interest?
3. Draw the rule-of-thirds in the picture frame below:  

4. What do you need to do for any moving object?
5. What can you use diagonal lines to do?
6. What can you use repetitive lines to do?
7. What is good balance?

(over)

8. What is framing?

9. Why should we avoid mergers?

10. Should the composition guidelines always be followed?
