

ATPI 2001 Fall Contest Results

The ATPI Fall Photo Contest has come and gone one more time. The four judges spent over five hours inspecting the entries, debating the choices and selecting the following 210 winners. This year's contest received 1695 entries from 35 schools around the state. This is the largest contest in ATPI's history, topping last year's contest total by almost 300 entries.

The judges this year included Michael Ainsworth, a staff photographer for the *Dallas Morning News*; Rex Curry, a freelance photographer in the Dallas-Fort Worth area; Rick Moon, also a freelance photographer in the Dallas-Fort Worth area; and Cliff Palmberg, a recent graduate of Kansas State University who now works for Taylor Publishing Company.

The judges were extremely impressed with the quality of the work. Some of the entries were disqualified because they did not meet size requirements or were not submitted in the proper format.
