## Fall 2002 Photo Contest Winners List

The seven judges spent over five hours reviewing more than 1700 entries in this year's contest from 35 different schools from Texas and New Mexico. This list of 303 winners represents more schools than ever before. Be sure to check out the ATPI web site - <http://www.atpi.org> - in December to see some of the winning images. Thanks to Herff Jones Publishing Company, a four-color poster of some of the winners will be mailed out in January. Thanks to all who entered.
