2003 Fall Contest Results

On Saturday, Nov. 1, six professional photographers gathered in the library at Martin HS in Arlington to judge over 2,000 entries in the annual photography competition sponsored by ATPI. Out of the 2,075 entries, 243 students and teachers were selected as winners. The entries represented almost 45 different schools from around Texas, plus Kansas and Iowa. The judges included Gregg Ellman - photo editor for the *Fort Worth Star-Telegram*, Rachel Bounds - associate curator Arlington Museum of Art, Trentyn Fator - senior photography major at the University of Texas at Arlington, Pete Vollenweider - master photographer with the Fort Worth Camera Club, Sharon Steinman - *Fort Worth Star-Telegram* photographer, and Paul Knudsen - Arlington commercial and portrait photographer. Some of the winning entries will be featured on the ATPI web site - www.atpi.org - and on a four-color poster published by Jostens Publishing Co.
