

2005 ATPI FALL CONTEST WINNERS

The 2005 ATPI Fall Photo Contest set new records, both in the number of entries (3,081) and the number of winners (320). Five states were represented with entries (Iowa, Indiana, Kansas, Missouri and Texas) and the judges spent four hours going through the images to select this year's winners. Look for a color poster, thanks to Friesen's, in a spring mailing from ATPI. Contact info@atpi.org if there are any misspellings of names. Thanks for participating in this year's contest!
