

FACULTY DIGITAL *Contest*

CONTEST COORDINATOR: Laura Spray

Using **Adobe Bridge, Photoshop or similar software**, put the following information in the Metadata / IPTC Core / Description field. If you are using **Photoshop**, go to File / File Info and type the information in the Description field. Make note of the punctuation and order of material. Do NOT try to put content on separate lines. Just let it wrap.

METADATA: Faculty digital 2022, contestant name (first then last), school (city, state)

FOR EXAMPLE — Faculty digital 2022, John Doe, Leaguetown High School (Leaguetown, Texas)

FACULTY DIGITAL CONTEST

There is no entry fee, but teachers must bring their own digital camera. Images must be uploaded into the ATPI contest system by 11:15 a.m. CT Friday, Feb. 25, 2022.

Contestants may enter one or two pictures in each category saved as RGB JPG files no more than 2500 pixels in the long direction.

Images that are not saved in the ATPI contest system, that do not contain the appropriate metadata or that are not saved in the correct location will not be judged.

Pictures will be judged on the following:

- Technical quality
- Composition
- How well the subject matter fits the category
- Use of metadata

Materials: digital camera

CATEGORIES

- portrait
- details
- tools of the trade
