

HAL FULGHAM **SCHOLARSHIP** **ENTRY INFORMATION**

Scholarship Amounts:

- \$1000 for first place Fine Art, first place Photojournalism and first place Video
- \$500 for second place Fine Art, second place Photojournalism and second place Video
- \$250 for third place Fine Art, third place Photojournalism and third place Video
- \$100 for honorable mention Fine Art, honorable mention Photojournalism and honorable mention Video

Deadline:

Portfolios MUST be uploaded by April 10, 2026 at 6 p.m. Central

Entry fee:

Entry fee is \$5 for each portfolio.
 Mail payment to PO Box 157, Cedar Park, TX 78613 or email requesting a PayPal invoice.

Photography Portfolio requirements:

- 8 to 10 images
- Black and white and/or color images acceptable
- Students may enter up to three portfolios in each division
- Each student entering the contest must upload their portfolio entries to the ATPI contest site by 6 pm of the deadline. All images in a portfolio must be uploaded at the same time. Include proper metadata.
- Sponsoring instructor must be a Texas ATPI member and the student must be a graduating senior.
- The portfolio should show consistency and reflect the student's personal vision or style.
- **Photography portfolios should be entered into either Fine Art or Photojournalism divisions.**

Video Portfolio Requirements:

- Applicants must provide links to a portfolio reel (max: 3 minutes) and up to three work samples (max: 7 min each) on a publicly accessible video host (Youtube, Vimeo, etc) as a single portfolio. Students may submit up to three portfolios. Label each URL so that judges will be able to view portfolios.
- Submissions should reflect the applicants personal vision or style in cinematography, editing, and storytelling
- All contest entries must include proper credits for any work not created by the scholarship applicant. Students must have obtained the appropriate permissions including written permission to use copyrighted works, notation of a Creative Commons license or notation of work in the public domain. Any works without the proper credit and permission will be disqualified.

Use of Artificial Intelligence (AI):

Images that utilize AI should clearly state in the description field in the metadata the program(s) used and explain the original elements, which must be the work of the student.

Mailing:

Email the completed entry from to info@atpi.org.

Other specifics:

For the Hal Fulgham scholarships the student does not have to major in photography/videography in college to receive the scholarship. The money may be used at any school of higher education. The student will be reimbursed after ATPI receives a copy of the student's official enrollment but must be claimed within one year. Winning entries will be duplicated for web use and for ATPI publication purposes. Students will only receive one scholarship.
